

Sunday Summer Adult Education Opportunities

Let's learn, grow, & connect with one another this summer!
(All classes are at 9:45am unless otherwise stated)

Here's what's happening in **JUNE**

It's All in the Family Genes! June 4, 11, 18, 25

with Rev. Lana Robyne & others in Room 209

Genesis is the first book of the Bible full of stories of our faith's Patriarchs, Matriarchs, & their troublesome but loveable families. However, there are many more difficult topics stemming from this book than what many of us may have learned as kids in Sunday School. From the beginning, there is a long string of jealousy, lying, murder, polygamy, child sacrifice (almost), deceit, and human trafficking. We'll take a fresh look at the spiritual genes of humanity through the stories of Adam & Eve, Noah, Abraham, Sarah & Hagar, Jacob & his children. No previous knowledge of the Bible is necessary to join this all-church Sunday School in June, but having a Bible could be helpful!

Difficult Topics in Our World Today All Summer in the Parlor

with Rev. Jim Morin and Chuck Newton

This class will be discussing current issues and difficult topics that test the limits of what we believe and accept as "gospel".

Small Group Call Out June 11 and June 25 at 10:30am

with Rev. Craig LaSuer and Karen Hull in the Library

A small group is beginning to emerge to share different faith perspectives in open minded ways & discuss & ponder various aspects of our faith, spirituality & Christian living. This group plans to meet on Sundays from 4-5pm. If you are interested, please come to one of the two call-outs.
